

ANNUAL MEETING 2016

The meeting was held in Filton. This was a new venue but it seemed to work very well.

As well as the business in the morning there were 2 speakers:

Andy Townsend, Manager of Lifeskills Bristol and Peter Lien from Denman.

Both were very interesting speakers.

After lunch presentations were made and Rita Brown of Westbury on Trym WI won

The Chairman's rose bowl for all her work in both her WI and Group.

The afternoon speaker Mandy Hickson who was a former tornado jet pilot

had the audience transfixed with her inspirational talk.

She received a standing ovation at the end.

All members thoroughly enjoyed the day.
